

# JULIA HAWLEY

## EXPERIENCE

### User Experience Design Intern

M&T Bank Corporation Buffalo / Jun 2019–Dec 2019

Iterated concepts to update the current design system. Designed high fidelity wireframes for components. Conducted qualitative research to inform the design of a recruitment site. Facilitated multiple design thinking workshops for 10-60 person teams across the bank.

### Co-Lead Coordinator

Thought at Work / Nov 2017–present

Designer and conference coordinator for the annual student-run design conference at RIT. Facilitated the transition into a multidisciplinary design organization through team management and communication.

### Classroom Assistant

RIT College of Art and Design / Jan 2019–present

Use drawing skills and industrial design experience to provide constructive feedback to students in Design Drawing and ID Form courses. Document and display student coursework.

### Archivist and Project Coordinator

Vignelli Center for Design Studies / Jan 2019–present

Archive the physical and digital process and final products for the Product Timecapsule collection. Coordinate events and archive viewings for educational purposes.

### Industrial Designer

T-Minus 151 / Jan 2018, 2019, 2020

First place winner of the 2020 week-long design challenge. Managed a team of designers from RIT to rapidly create a product experience solution. Clients include Rochester Refugee, Ugandan Water Project and RIT.

### Equipment Specialist

RIT Photographic Arts and Sciences / Aug 2018–Aug 2019

Gained knowledge about photographic gear in order to make appropriate recommendations to customers. Handled rental, inspection, and inventory of all studio equipment. Processed large format print and film requests.
